Tryouts will be held from Tuesday, November 12 through Monday, November 18. All divers trying out will be required to attend on Tuesday the 12th, however only returning divers with 6 or more dives and club divers that have a competition ready list will be required to dive on Tuesday. Everyone else will be observing. The remainder of the tryouts will be for new divers, club divers or returning divers with less than 6 dives.

Every interested student will be required to complete the online form so that the dive coach can understand how many divers will be trying out. We will forward the link to every student interested in diving.
